

Save On Legal Typing Overheads

Have your day's typing work completed overnight, outside of the office, and ready the next morning with Market One Professional Business Services.

Market One Professional Business Services was established in 2003 to assist busy legal professionals with their transcription and dictation requirements.

The Market One team brings together experienced legal word processor operators, using the latest secure technologies, to provide a professional and confidential transcription service, together with a fast turnaround and high accuracy, using your own current precedents and templates.

STOP PAYING ONGOING COSTS:

- \$\$ Superannuation
- \$\$ Work Cover Insurance
- \$\$ Holiday Pay/Leave Loading
- \$\$ Sick Leave
- \$\$ Temps
- \$\$ Overtime
- \$\$ Training and Management
- \$\$ Plant and Equipment Costs

By using Market One Professional Business Services you negate the need for paying all of these costs and overheads by only paying for the time it takes to complete your work, plus you have the Market One guarantee of completed work back to you the very next day. Market One can even complete your same day urgents!

Market One Professional Business Services is your solution to cutting overhead costs and increasing turnaround!

As a sponsor of this year's World Masters of Law Firm Management Seminar, Market One's consultants will be available at this event to discuss your requirements.

USING OUR TRANSCRIPTION SERVICE IS AS EASY AS....

1. Dictate work
2. Transfer to PC/Laptop
3. Upload directly to secure server
4. Receive work typed and formatted to your requirements
